

DoD/DHHS MH MOA PHS VACANCY ANNOUNCEMENT

FOCUS AREA

Agency leadership has determined that this position meets Criteria 4: Assignment requires regular engagement with other uniformed services.

POSITION TITLE

Staff Psychologist, (O-4 Billet, Non-Supervisory)

LOCATION DESCRIPTION

The 21st Space Wing, headquartered at Peterson Air Force Base, Colo., is the Air Force's only organization providing missile warning and space control to unified commanders and combat forces worldwide.

The 21st SW provides missile warning and space control to North American Aerospace Defense Command and U.S. Strategic Command through a network of command and control units and ground based sensors operated by geographically separated units around the world.

CLOSING DATE

Open until filled

*** JOB DESCRIPTION***

Specific duties and responsibilities include, but are not limited to the following:

Clinical psychology is the discipline of professional psychology dedicated to the scientific understanding of factors operating in the etiology, maintenance, and potential change of human behavior, habits, and lifestyles. Clinical psychologists are trained in providing health and mental health promotion programs for individuals and groups experiencing ongoing mental and physical problems.

CONDITIONS OF EMPLOYMENT:

Education and Licensure Requirements: Clinical psychologists must demonstrate appropriate skills, training, and experience to be considered for clinical privileges. Minimum educational requirements include:

A doctor of philosophy (PhD) or a doctor of psychology (PsyD) degree in clinical, counseling, or combined professional-scientific psychology from a program accredited by the American Psychological Association (APA). Waiver of this requirement (i.e., for graduates of regionally accredited universities or schools of professional psychology) must be staffed through AFMOA/SG3OQ.

An APA-accredited predoctoral internship in professional psychology (This 1-year internship is part of an APA-accredited doctoral program. The AF accepts this internship from any APA-accredited site including designated AF sites).

DoD/DHHS MH MOA PHS VACANCY ANNOUNCEMENT

An optional postdoctoral fellowship allows for subspecialization in Operations/Aviation psychology, child/adolescent psychology, health psychology, or neuropsychology.

Valid license to practice psychology from a US jurisdiction.

SECRET Clearance or ability to obtain a SECRET Clearance
